

MOTION BY SUPERVISOR DON KNABE

July 12, 2016

The USA Junior Olympic Sailing Festival is a two-day regatta for youth ages 8 to 21 to be hosted by California Yacht Club in Marina del Rey on July 15 and 16, 2016. The Festival is part of the US Sailing’s Junior Olympic Program that serves to promote the enjoyment of sailing and contributes to the development of sailing skills for young sailors, as well as provides an Olympic pathway for talented junior sailors.

A portion of the entrance fees collected will be used for the California Yacht Club’s Junior Sailing Camp, which is open to Los Angeles County youth to introduce them to sailing.

**I, THEREFORE, MOVE** that the Board of Supervisors waive the parking permit fees for the trailers that will be used to transport the vessels used in the regatta, in the amount of \$2,730, excluding the cost of liability insurance.
